

MEMORANDUM

TO: Dianna Benton, Tom Wilkinson, Pat Hyer, John Eaton
FROM: David Ford
DATE: January 25, 2001
RE: SACS

Please find attached the letter from Dr. Rogers to Dr. Steger officially notifying the university of action taken at the December 2000 meeting of the Commission on Colleges, SACS. Again I thank each of you for your extra effort which resulted in this favorable response.

Now the task at hand is to keep good records as per our university administrative policy on substantive change. You will note that Virginia Tech must submit a Fifth-Year Report in 2003 (we will need to decide if this is for the summer meeting or the annual fall meeting) to show continued compliance with Section 1.2 of the Criteria. My assumption is that the responsibility falls to me for that report so I will appreciate the help of each of you as appropriate in submitting the report.

Thank you!
